Christmas baskets 2025 and also to put food in the bins all  
Thru the year. These bins are accessible to all members of the community for emergency access.

#### Description of activity / activities' summary:

This will be our 6th christmas edition  
For 2024 we spent approx. 10 000\$ on christmas baskets (with an additional 2K of items given by the community) we fed 116 people of this community for 2+ weeks and we gave 54 children gifts ranging in the 50\$ each. Our second need is to keep food in our emergency food bins located outside. We have a 100-120\$ budget a month to fill but it has not been enough, we are facing struggles this past year; as the food bank shelves get lower they send people out to us and we cant keep up. Ill set the activity date to start now thru the entire year. To account for christmas but also the food bins.
